The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

From the 2001-2002 Consolidated Plan for Kentucky

Federal statutes governing these programs communicate three basic goals by which HUD evaluates performance under the plan. This Consolidated Plan announces Kentucky's strategy for pursuing these goal, which are:

1. DECENT HOUSING

- helping homeless persons obtain affordable housing;
- Assisting persons at risk of becoming homeless;
- Retaining affordable housing stock;
- Increasing the availability of affordable permanent housing in standard condition to low-income families, particularly to members of disadvantaged minorities without discrimination on the basis of race, color, religion, sex, national origin, familial status, or disability;
- Increasing the supply of supportive housing which includes structural features and services to enable persons with special needs to live in dignity and independence; and
- Providing affordable housing that is accessible to job opportunities.

2. A SUITABLE LIVING ENVIRONMENT

- improving the safety and livability of neighborhoods;
- Increasing access to quality public and private facilities and services;
- Reducing the isolation of income groups within areas through spatial deconcentration of housing opportunities for lower income persons and the revitalization of deteriorating neighborhoods;
- Restoring and preserving properties of special historic, architectural or aesthetic value; and
- Conserving energy resources.

3. EXPANDED ECONOMIC OPPORTUNITIES

- Job creation and retention;
- Establishment, stabilization and expansion of small business (including microbusinesses);
- Provision of public services concerned with employment;

- **Provision of jobs to low-income persons living in areas affected by those programs and activities, or jobs resulting from carrying out activities under programs covered by the plan;**
- **Availability of mortgage financing for low-income persons at reasonable rates using nondiscriminatory lending practices;**
- **Access to capital and credit for development activities that promote the long-term economic and social viability of communities; and**
- **Empowerment and self-sufficiency for low-income persons to reduce generational poverty in federally assisted housing and public housing.**

These goals drive the Consolidated Plan strategy for addressing housing and community development needs. The 2000-2002 Interim Consolidated Plan for Kentucky supersedes and replaces the 1995-1999 Consolidated Plan. The next Consolidated Plan, beginning with the year 2003, will include more recent data from the 2000 census, a statewide housing study and a comprehensive homelessness survey.
